Dear Marc,

Please allow this letter to serve as documentation of our sincere gratitude for your generous contribution to our "Bride over Barriers, Celebrating Community Pillars" event. The barricades you provided at no cost allowed us to close the road under I-15 on 300 N. amounting to over 140 feet of closure on both the east and west ends. Your barricades provided us a safe event and allowed us to make safety a priority for the 250+ that came to the event. I can't imagine that event without your barricades!

NeighborWorks® Salt Lake is a 501c3 that builds on the strengths of neighborhoods through housing, resident leadership, youth and economic development. We work in partnership with our residents, government and business to build and sustain neighborhoods of choice. We value and appreciate businesses like yours that make contributions to the community, especially during economic hard times. We understand that sometimes it isn't that easy, but your contribution has made a difference!

We hope that you will continue to stay involved and wish you the best in your business endeavors. Please visit our website and Facebook page to stay updated with our many community events. If there is anything we can do to reciprocate the favor, please do not hesitate to ask. Again, thank you so much! Talk soon.

Sincerely,

Maria Garciaz
